

Join Springer Nature Live Webinar PUBLISHING WITH IMPACT AND A ROUTE TO OPEN ACCESS

**Date: November 23rd,
Time: 14.00-15.00, TR time**

We will be exploring with Christopher Pym, Senior Institutional Engagement Manager what OA options Springer Nature offer to researchers, institutions and their funders for journals, books and sharing research data. Our aim is to accelerate the adoption of (OA) publishing and open research techniques.

We will also hear from Nathalie Jacobs, Executive Editor at Springer Nature, present and she will explain what to take into account when you want to publish a scientific article.
